Proponent's Environmental Record

6.0 Proponent's Environmental Record

As Ella Bay Developments Pty Ltd is a special purpose company, established for the sole purpose of the developments at Ella Bay, its environment record is related to the work that has been done during approval stage, both at this site and the adjacent site at Little Cove. The proponent has been working for over 3 years now, with the projects stakeholders, the community and the various government departments to ensure new benchmarks are set in working in these environmentally sensitive areas. It should be noted the current stakeholders in Ella Bay Developments Pty Ltd are John Holland Pty Ltd and Witt Property Group and these companies have extensive environment records, systems and procedures. Refer to Volume One of the Ella Bay Integrated Resort – Environmental Impact Statement for details on these companies.
