

## **6.2 d Weed Mapping Survey Jan 2010 Ella Bay**

Weed Distribution - February 2010

**Hymenachne Distribution**

- Low Density (<5%)
- Medium Density (5>30%)

**Sicklepod Distribution**

- Low Density (<5%)
- Low Density with High Density Thickets (>50%)

**Singapore Daisy Distribution**

- Low Density (<35%)
- Medium Density (35>70%)
- High Density (>70%)

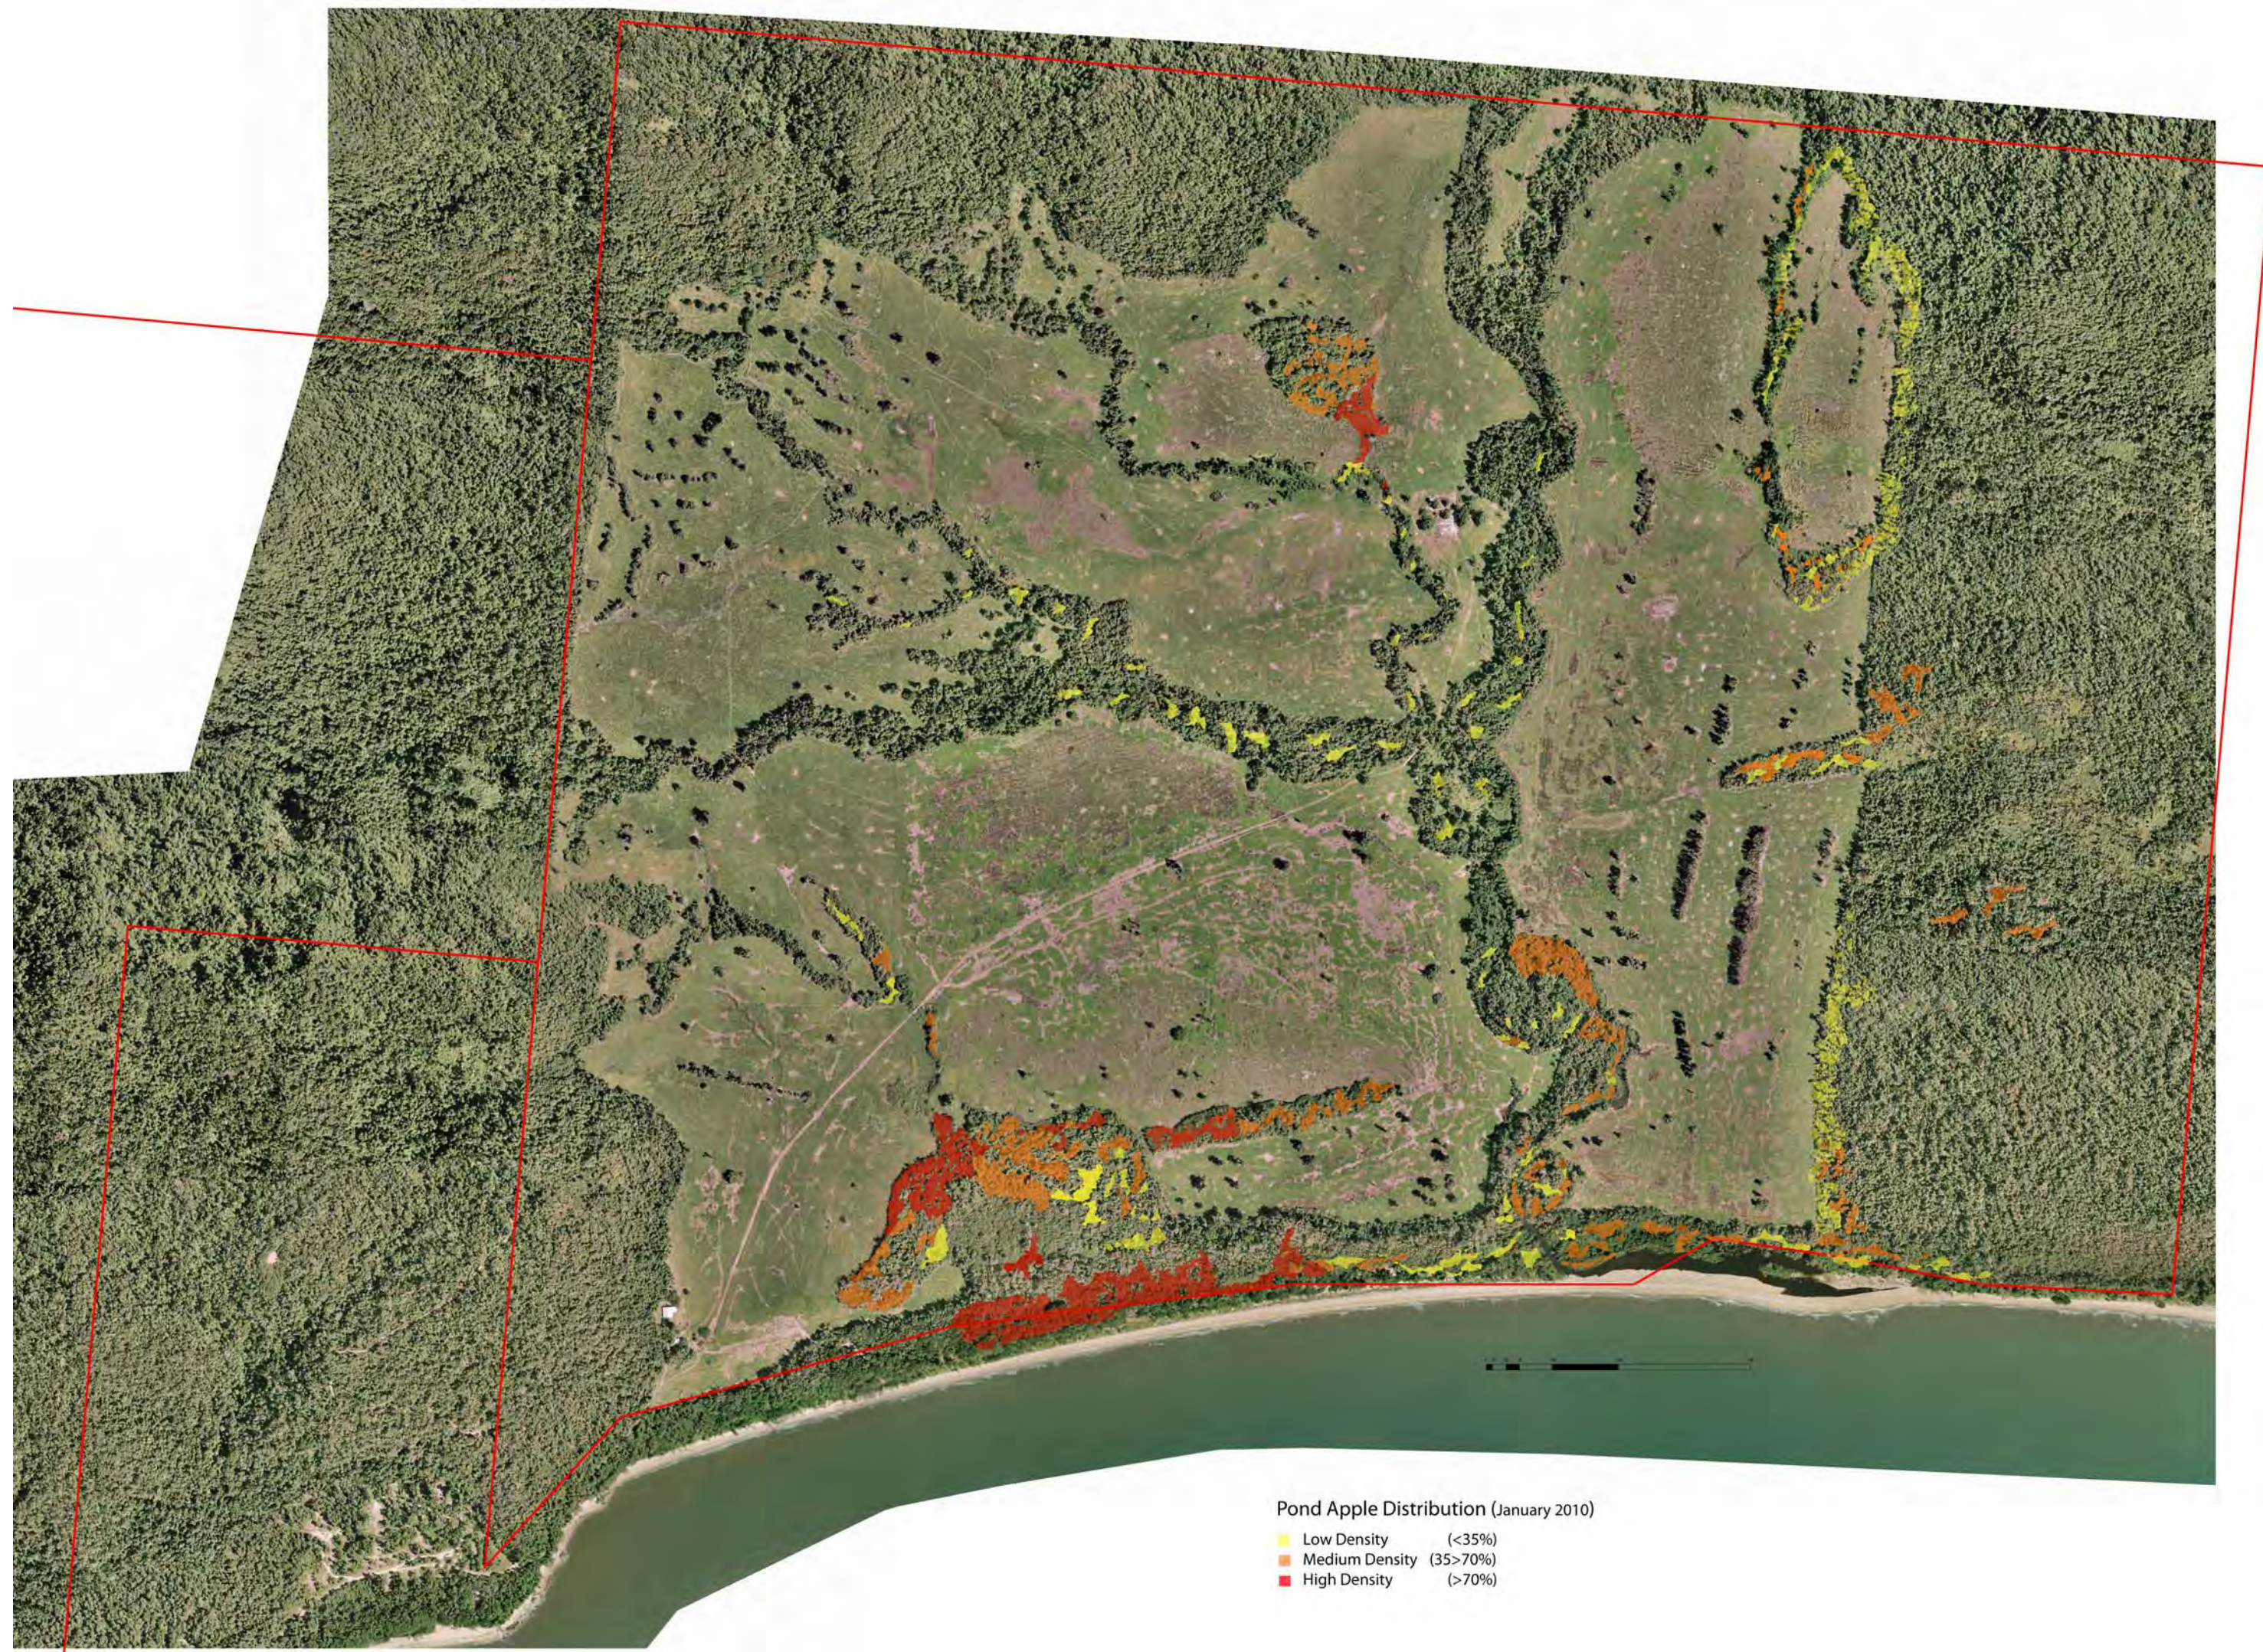

**Pond Apple Distribution**

- Low Density (<35%)
- Medium Density (35>70%)
- High Density (>70%)

**Giant Rat's Tail Distribution**

- Low Density (<5%)
- Medium Density (5>70%)
- High Density (>70%)

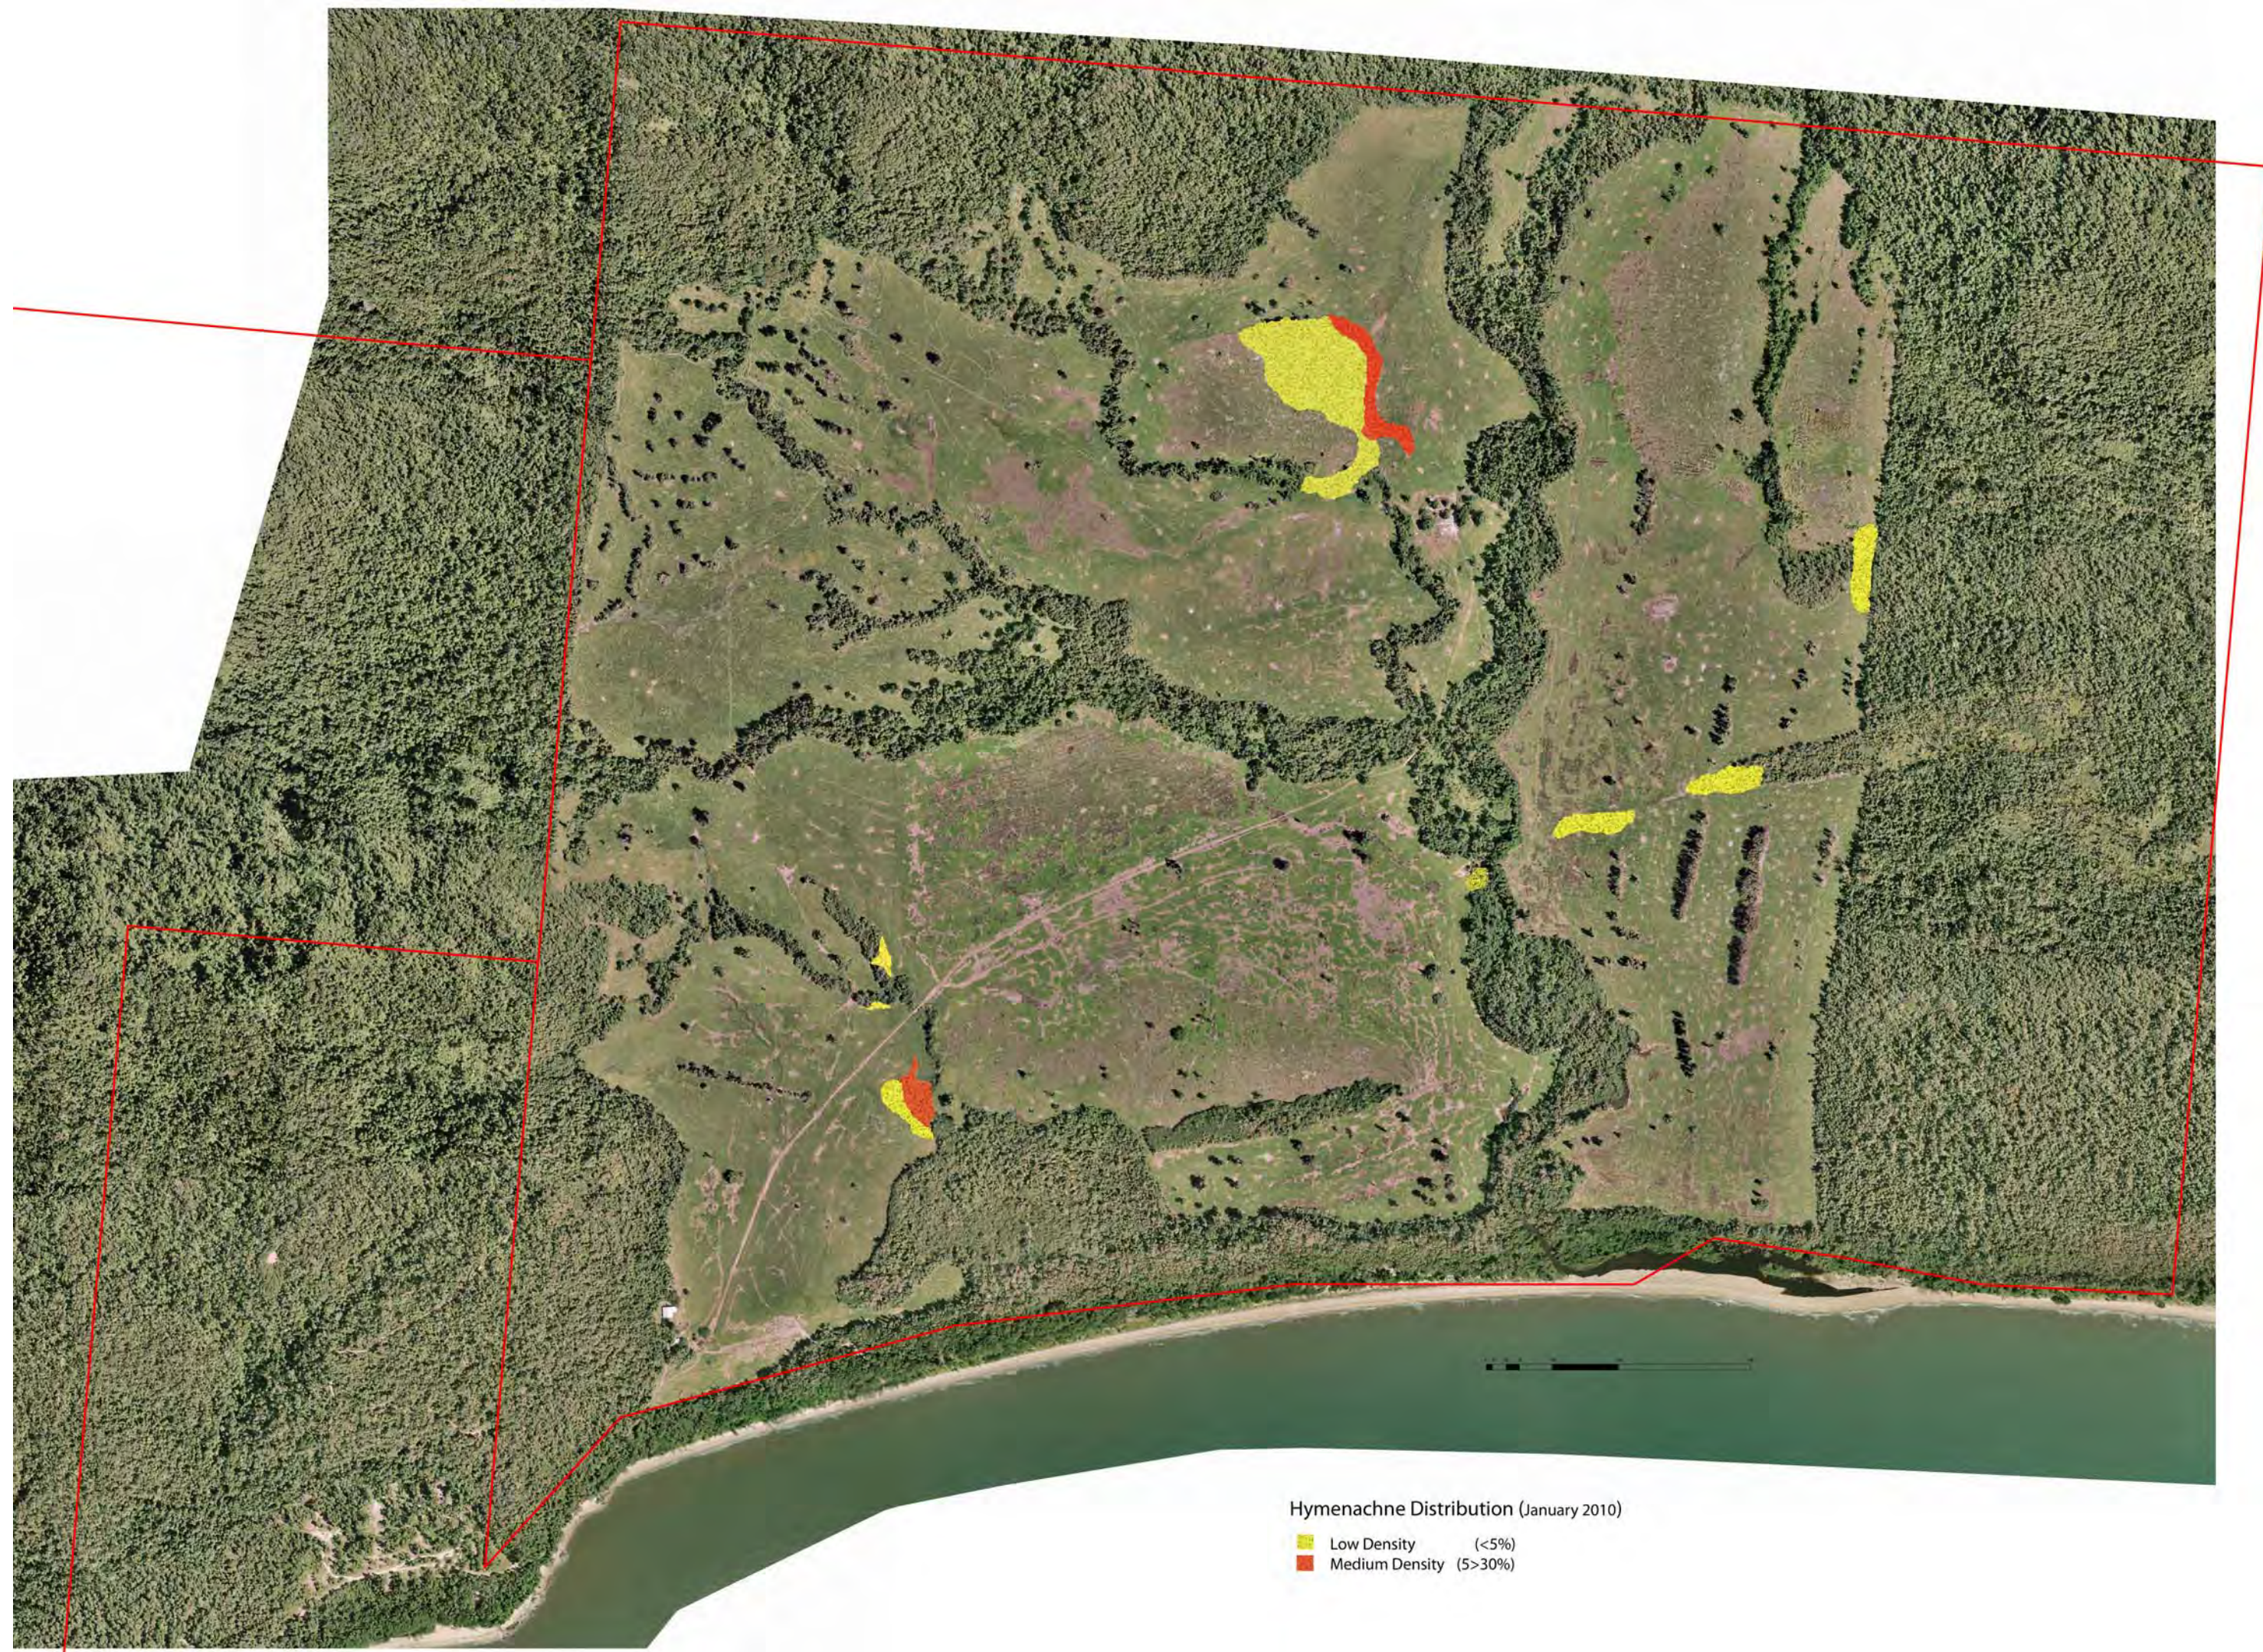

Pond Apple Distribution (January 2010)

- Low Density (<35%)
- Medium Density (35-70%)
- High Density (>70%)

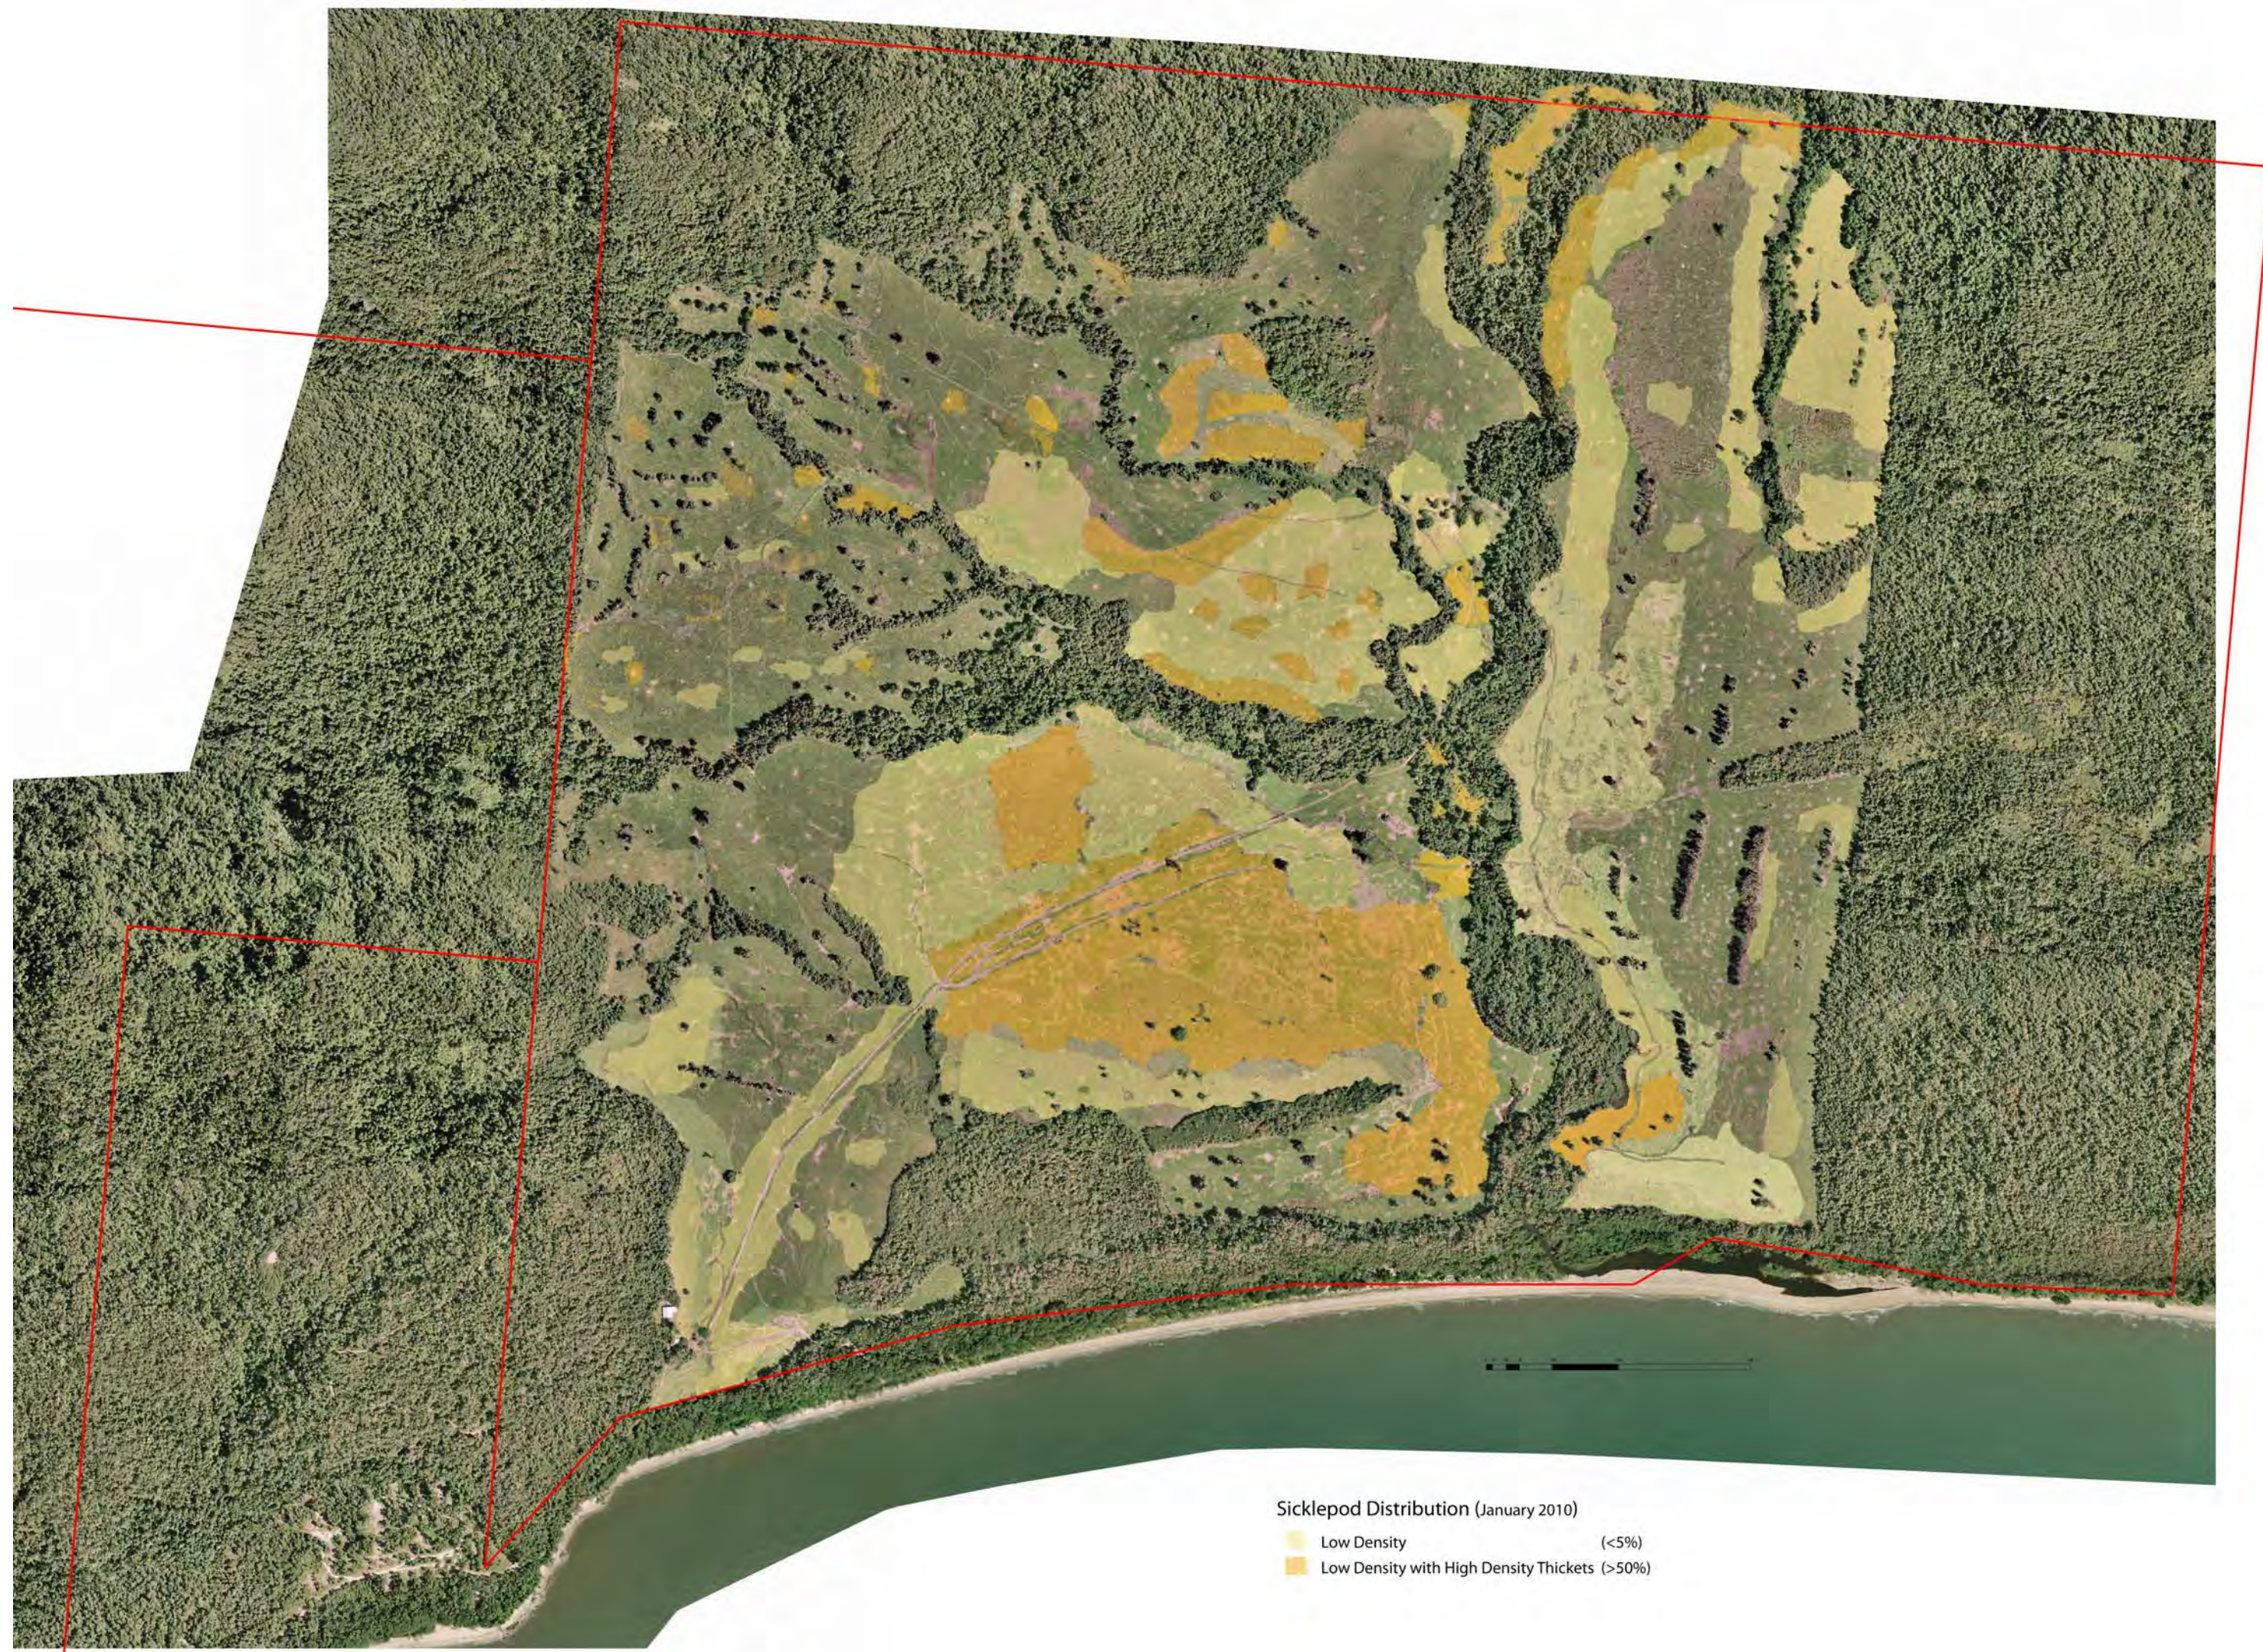

Hymenachne Distribution (January 2010)

- Low Density (<5%)
- Medium Density (5-30%)

Sicklepod Distribution (January 2010)

- Low Density (<5%)
- Low Density with High Density Thickets (>50%)
